

Thank you for booking time with our care team. You're on your way to better healthcare.

Meet Your Doctor

Dr. Alexander Antoniou, MD

About Dr. Antoniou

Dr. Antoniou brings extensive experience in Medicare Advantage, chronic disease management, and care coordination. Throughout his career, he has focused on improving care quality, safety, and outcomes for older adults and complex patients.

At Turnout, he provides clinical oversight to ensure members receive safe, appropriate, and well coordinated care aligned with Medicare guidelines.
